“CALLISTERS CACHE”

Parent Worship Questions Worship ideas for Fundamental 10 - The Experience of Salvation

For Parents (From God loves me 28 Ways for kids Book by Charles Mills & Linda Koh: GC CHM Department, pg 13)

- Sin is choosing to disobey God and the result of sin is death (Romans 6:23).
- When I allow Jesus into my heart, He helps me change from a sinner to a child of God who wants to live forever in heaven with Him (John 15:5).
- God's love is a gift to every one of us. A gift is something you can't buy! You can't earn it, or it would be wages. You don't deserve it. But if you believe in Jesus, that He died on the cross for you, you can have the gift of eternal life (Romans 5:15-17).

Start with the end in mind

- *Parents and children are to truly recognise the seriousness of sin's real impact on our lives so we can repent and be drawn into a loving relationship with Jesus Christ. [Isaiah 55:7 (ICB) Evil people should stop being evil. They should stop thinking bad thoughts. They should return to the Lord, and He will have mercy on them. They should come to our God, because He will freely forgive them; Acts 2:38 (NLT) Peter replied, "Each of you must repent of your sins and turn to God, and be baptized in the name of Jesus Christ for the forgiveness of your sins. Then you will receive the gift of the Holy Spirit.]*

- *We all need to commit to allowing Jesus Christ to enter our lives so that He can transform us from the inside out. [Romans 12:2 (NIRV) Don't live the way this world lives. Let your way of thinking be completely changed. Then you will be able to test what God wants for you. And you will agree that what He wants is right. His plan is good and pleasing and perfect; Ezekiel 36:26-27 (ERV) I will also put a new spirit in you to change your way of thinking. I will take out the heart of stone from your body and give you a tender, human heart. I will put my Spirit inside you and change you so that you will obey my laws. You will carefully obey my commands.]*
- *As God's children we should accept the gift of eternal life from God and do good works through our daily connection with Jesus Christ, instead of doing good works to earn salvation. [2 Peter 1:3 (NIRV) God's power has given us everything we need to lead a godly life. All of this has come to us because we know the God who chose us. He chose us because of his own glory and goodness; Philippians 1:9-11 (ERV) This is my prayer for you: that your love will grow more and more; that you will have knowledge and understanding with your love; that you will see the difference between what is important and what is not and choose what is important; that you will be pure and blameless for the coming of Christ; that your life will be full of the many good works that are produced by Jesus Christ to bring glory and praise to God.]*

Using the Tuis Video - Worship Objectives

- Often only parents or non-parental adults can rescue us from life threatening situations which we get ourselves into both intentionally or unintentionally. (Alinta's dad, Archie, had to come in his helicopter to rescue Jonathan and Kosta who were dangling on the snapped rope bridge off the edge of a cliff face. Without him, they wouldn't have been able to save themselves.)
- Parents need to take the initiative to search for and rescue their children caught in dangerous situations. It's the children's role however, to accept help offered by their parents. (When Archie found the note left by Alinta, he knew they'd be in trouble if they didn't get back before the storm hit so he flew his helicopter to search and rescue them. He took the initiative to create and implement a rescue plan. Jonathan and Kosta gratefully accepted Archie's offer to rescue them instead of arguing with him.)

For parents with their kids

Basic Recall Questions (Use only a couple to get the kids engaged)

1. CAN YOU REMEMBER?

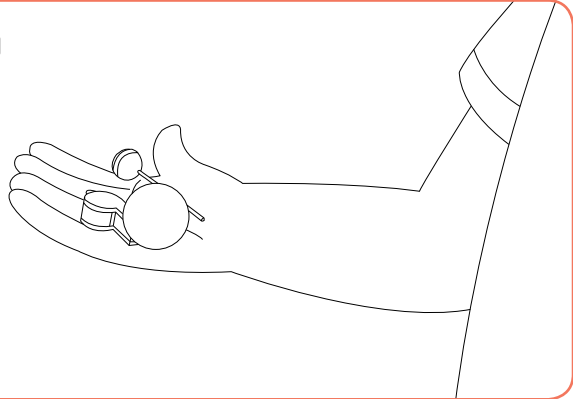

A What "Callisters Cache" is, according to Marica?

B

What Marica's instructions were to Jonathan, Kosta and Alinta, before they went Callisters Cache?

C Three things that Jonathan held up as their 'treasures' after disturbing the Jenga game that the three older kids were playing?

(A) He saw a plate of peas.
His response was a sigh.

(B) The pancakes and dish went flying and one of the pancakes landed on the baby's face.

(C) a whistle, a pink bouncy ball and a lollipop.

(D) a whistle, a pink bouncy ball and a lollipop.

(E) Tree Kangaroos

(F) A clearing with a waterfall and circular lake at its base.

(G) Cassowary

- D** The name of the treasure that Salome, Nick and Jiemba challenged Jonathan, Kosta and Alinta to find if they were to prove that they were 'real treasure hunters'?

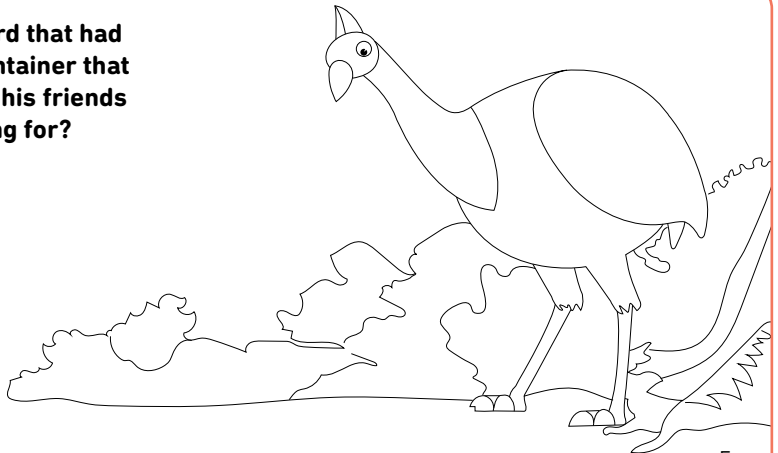

Colouring in can be a nice calming activity to do while having a discussion.

- E** What was perched up on the branches throwing nuts at Jonathan, Kosta and Alinta soon after they entered the rainforest?

- F** What the 'treasure hunters' saw on the other side of the rope bridge, the first time they spotted it?

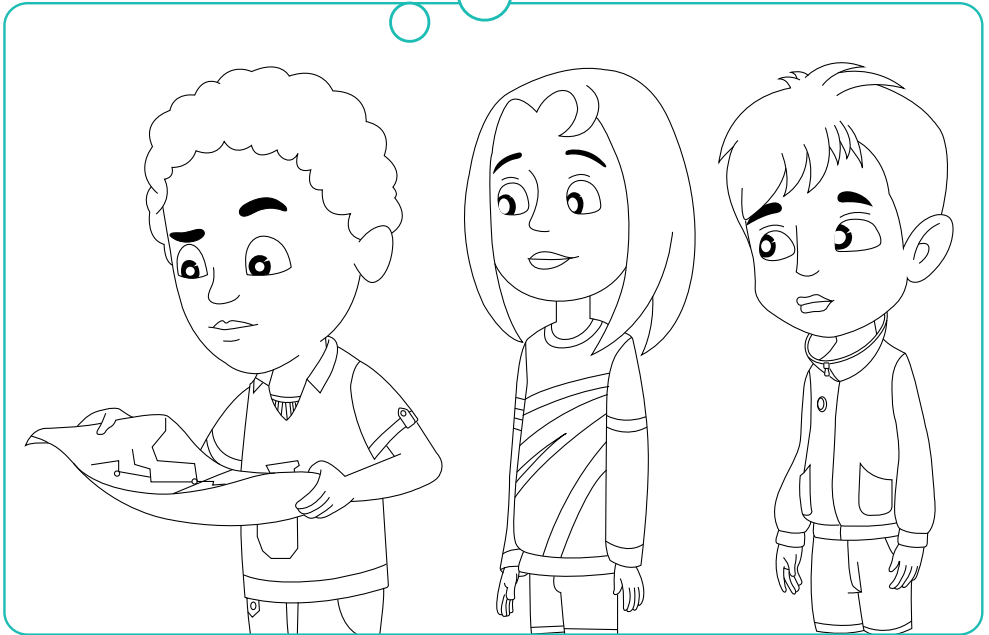

- G** The type of bird that had the plastic container that Jonathan and his friends were searching for?

3. DO YOU THINK?

A

Jonathan, Kosta and Alinta were well prepared for their treasure hunt?

B

The older siblings really wanted Callister's Cache to be found?

C

We as a family can learn something from this video clip?

Ask Jesus Christ to help you confess your mistakes and sinful choices in life. Also tell Christ you need Him to rescue you from the mess you've gotten yourself into. Now thank Him for His rescue plan and for how He's changing you from the inside out.

- (A) (No). Give evidence from the video to support your answer.
(1. They didn't know how dangerous the 'cute' looking animals in the rainforest, really were e.g. The Tree Kangaroos and the Cassowary bird looked innocent but they were very savage. 2. They weren't prepared for the midges i.e. they had no insect repellent. 3. They took no food, raincoats, water or first aid kit unlike prepared people who would've taken these items with them. 4. They also did not let people know the exact location of their adventure in case something went wrong. Usually experienced people, as part of their preparation for bush trips, let others know where they are going and an expected time of return.)
- (B) (No) Give reasons for your answer from the video. (Salome's response when Jonathan wanted to show what was in Callister's Cache to her father showed they didn't what it discovered. The awkward photo of them as 9-year olds in Callister's Cache, was something they really didn't want people to see now that they were teenagers.)
- (C) (Yes) Explain your answer.

Children: Listen carefully to and obey instructions given by parents because they're for your own safety. Boundaries keep us safe from harmful situations.

Parents or Guardians: Parents also need saving from some dangerous situation because we are all sinners. So, we need to accept help from our Heavenly Father and also show other people mercy when it's appropriate, like the parents showed to Jonathan, Kosta and Alinta when their disobedience led them toward a dangerous place.)

4. WHO SAID THIS & WHY?

A

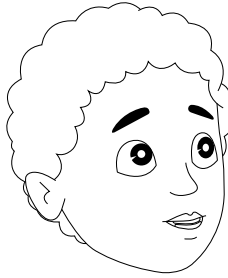

"We only have thirty minutes to find them before the storm rolls in - just show me where they are!"

B

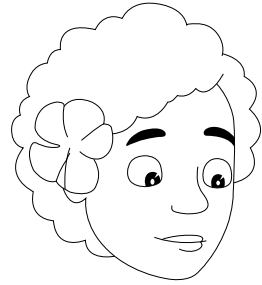

"Now normally we would punish you but it looks like you've learnt your lesson the hard way."

Archie

Jonathan

Archie

(A) (Archie to Jiemba, as they were flying over the rainforest searching for Jonathan, Kosta and Alinta because he was concerned about the safety of the younger children. He knew that they could be in a potentially dangerous situation due to the storm forecast, so Archie took the initiative to go searching for them.)

(B) (Archie when Jonathan, Kosta and Alinta were safely home after being disobedient to Marica's instruction not to leave the street during their treasure hunting activity. Likewise, God shows us mercy each time we sin because normally as Romans 6:23 states, "the wages of sin is death." God's rescue plan however stops us from the punishment of eternal death if we accept Jesus as our Saviour and stay in an active relationship with Him.)

"Nor can the gift of God be compared with the result of one man's sin: The judgment followed one sin and brought condemnation, but the gift followed many trespasses and brought justification."

E.G. White Quotes

"[Jesus] saw a still greater need than bodily suffering. He saw symptoms of a deeper illness... He was moved to still greater pity by the needs of the soul." [Australasian Union Conference Record, June 1, 1900]

When men and women can more fully comprehend the magnitude of the great sacrifice which was made by the Majesty of heaven in dying in man's stead, then will the plan of salvation be magnified, and reflections of Calvary will awaken tender, sacred, and lively emotions in the Christian's heart...Who can measure the love Christ felt for a lost world as He hung upon the cross, suffering for the sins of guilty men? This love was immeasurable, infinite. [2T, p 212]

Many have a vague idea that they must make some wonderful effort in order to gain the favour of God. But all self-dependence is vain. It is only by connecting with Jesus through faith that the sinner becomes a hopeful, believing child of God. [Christian Experience and Teaching, p 18]

If you will seek the Lord and be converted every day; if you will of your own spiritual choice be free and joyous in God; if with gladsome consent of heart to His gracious call you come wearing the yoke of Christ,—the yoke of obedience and service,—all your murmurings will be stilled, all your difficulties will be removed, all the perplexing problems that now confront you will be solved. [Thoughts from the Mount of Blessings, p 101]

The perfection of Christian character depends wholly upon the grace and strength found alone in God. Without the power of grace upon the heart, assisting our efforts and sanctifying our labours, we shall fail of saving our own souls, and of saving the souls of others. [Review & Herald August 8, 1878, Art. B, par 1]

In consequence of our limited ideas of the sufferings of Christ, we place a low estimate upon the great work of the atonement. The glorious plan of man's salvation was brought about through the infinite love of God the Father. In this divine plan is seen the most marvellous manifestation of the love of God to the fallen race. [2T, p 200]

When the sinner beholds Jesus lifted up upon the cross, suffering the guilt of the transgressor, bearing the penalty of sin; when he beholds God's...love for fallen man, he is led to repentance toward God...To the repenting sinner God can show His mercy and truth, and bestow upon him His forgiveness and love. [Selected Messages, Volume 1, p 324]

"The science of salvation cannot be explained; but it can be known by experience" (Desire of Ages, p 495)

"Christ was treated as we deserve, that we might be treated as He deserves. He was condemned for our sins, in which we He had no share, that we might be justified by His righteousness, in which we had no share. He suffered the death which was ours, that we might receive the life which was His. 'With His stripes we are healed.'" (DA p 25).

**Praise Jesus Christ using a prayer like this in your own words/language:
"Thank You, Jesus, for dying on the cross so that my sins can be forgiven.
Because You love me so much, I don't have to suffer the symptoms of sin
all my life. I can be healed. Amen."**

FAMILY CHALLENGE

(Choose 1 or 2 you might like to do as a family this week)

- Got a sick friend or family member? Give him or her a telephone call or write a letter. Say how sad you are that they aren't feeling well (sick people like to hear that). Then offer to pray for their fast recovery. Keep praying until they're up and about again. Then thank God for His powerful healing.

- Discuss as a family some practical ways to share God's rescue plan with your neighbours and/or people at your work place, school or communities. Choose one or two to do this week. You could go to the "Family Challenges" sections in the other Tuis Workbooks to choose 1 or more that you haven't done but would like to try this time. Try to choose one that goes with the "Experience of Salvation" theme.

- Fundraise for orphanages internationally or locally that rescue orphans from a life of suffering and poverty. Here are some links that profile some orphanages:

Zimbabwe - many children whose parents have died of HIV/AIDS. While they may have already received help from the 13th Sabbath Offering in 2015, they will still have needs not covered by that offering. <https://www.youtube.com/watch?v=ohb-L4TrcXg>

Haiti - Eden Garden orphanage.

Thailand - "Keep Girls Safe" is a home for girls which are at risk of being sold into slavery.

- Due to the many politically unstable countries, Australia, New Zealand and different countries around the Pacific now have refugees that arrive on their shores. They have lived through very traumatic experiences while escaping from their countries. For the Pacific Islands, you might like to fundraise to help the local or government veterinarian to make awareness materials for how to treat animals properly.

- Memorise any of the Bible texts mentioned in this resource or one your family think is suitable about The Experience of Salvation theme, using "Alphabet shapes."

Explanation of the 'Alphabet shapes' activity

Supplies

- Paper
- Markers
- Putty adhesive
- Active and energetic children

Instructions

- 1)** Choose a verse that is not too long. Write each word on a different sheet of paper so it can be easily read.
- 2)** Attach the words to the walls of the room in the order in which they appear in the verse.
- 3)** Have the children practice making different letters of the alphabet with their bodies - they can choose uppercase or lowercase letters, whichever works best.

4) Stand a child or a group of children by each word. Have each group figure out how to make the first letter of their word using their bodies to make the shape.

5) Move the children to the next word in the sequence and repeat the exercise. Continue until they have completed the full verse sequence at least once.

Other ideas

- Have each group decide on a letter shape and teach the other groups how to make their letter. Then, have the whole group repeat the verse, shaping their bodies into the initial letter of each word. This will have to be done at a slower speed than you would normally say the verse.
- Create your own letter shapes together as a family, and practice them with the words in the verse until everyone has learned all the words.
