(Digitaka e dua na tiki ni Vola Tabu ka tukuni kina na ka me baleta e dua na I bulibuli - oqo me vaka na waqa, vu ni kau se vale. Droini taka ena dua na tiki ni pepa.) Choose a verse that suggests a simple shape, such as a boat, tree, house, etc. Lightly sketch the shape in pencil on a piece of paper.

2) Count how many words there are in your chosen verse and place the same number of dots around the outline you have drawn. Then instead of numbering the dots in the usual manner to create a dot-to-dot picture, write the words of the verse in order next to each dot. (Wilika e vica taucoko na vosa ena tiki ni Vola Tabu ko digitaka. Qai maka taka wavoki (dots) ena dela ni l lavelave ko sa vakarautaka oti. Qai vola na vei mala ni vosa ena tikina digitaki.

Vakayagataka na peni me vola kina na tiki ni Vola Tabu. Bokoca tani na maka ni peni kau.

Other ideas

► Show the children how you created the join-the-dots verse design and invite them to try creating their own design for different verses that has been used in this lesson. Perhaps you can find someone who would convert the children's designs into a simple dot-to-dot verse book to help them learn different verses. Include the Bible text and version on each picture so the children can look up the verse to help them, if necessary.

Jesus is Alive lyrics

I am really missing you

I'm missing you my friend

We really shared some good times

That I didn't want to end

And though I'm feeling sad right now

I'm gonna look ahead

I'll thank Jesus for the time we've had

And soon I'll see you again

Because Jesus is alive

I know that I'll see you again

Because Jesus is alive

I know this is not the end

'Cause Jesus came to earth long ago

And He died for you and me

So I'll meet you again in Heaven my friend

There'll be Jesus you and me
