Song #6, "Creation" from 'Connecting with God 28 ways: Children's Evangelism Series" song is composed by Abide Family Ministries.

Words for this song:

I can tell you how it all began

I can tell you how the world was started

I can tell you who made this land

I can tell you now

In the beginning God created

Everything you see yes God made it

The birds and the animals

The flowers and the trees

The sun and the moon

The rivers and the seas

In the beginning God created

Everything you see yes God made it

But His very best creation of all

Is you and me
